## 2026 AGM arrangements

The company's 2026 Annual General Meeting will be held as a hybrid (combined physical and electronic) meeting, enabling shareholders, should they so wish, to participate in the AGM, ask questions and vote on resolutions via a live webcast without being physically present at the AGM.

For those shareholders wishing to attend the AGM in person, **please use the Strand entrance to the building**, where the registration desks will be situated. A map of the area is available on page 3 of this document.

**This document is important and requires your immediate attention.** If you are in any doubt as to any aspect of the proposals referred to in this document or as to the action you should take, you should seek advice from a stockbroker, bank manager, solicitor, accountant, or other professional adviser authorised under the Financial Services and Markets Act 2000. If you have sold or transferred all of your ordinary shares in Pearson plc, please pass this document and the enclosed form of proxy at once to the purchaser or transferee, or to the stockbroker, bank or other agent through whom the sale or transfer was effected, for transmission to the purchaser or transferee.

A form of proxy for the Annual General Meeting is enclosed and should be completed and returned as soon as possible. To be valid, Computershare Corporate Sponsored Nominee (CSN) holders must register their votes by no later than 10:30am on Tuesday, 28 April 2026. Ordinary shareholders must register their votes by no later than 10:30am on Wednesday, 29 April 2026. Alternatively, you may register your vote online by visiting the registrar's website at <http://www.investorcentre.co.uk/eproxy>. In order to register your vote online you will need to enter the meeting's Control Number, Shareholder Reference Number (SRN) and PIN number assigned to you, which are given on the enclosed form of proxy.

CSN holders choosing to vote online must register their votes by no later than 10:30am on Tuesday, 28 April 2026. Ordinary shareholders choosing to vote online must register their votes by no later than 10:30am on Wednesday, 29 April 2026.

If you are a member of CREST, the electronic settlement system for UK securities, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained in the notes to the notice of Annual General Meeting (see pages 13 to 15 of this document) and in the form of proxy. Electronic and CREST proxy voting instructions should also be submitted no later than 10:30am on Wednesday, 29 April 2026.

If you are an institutional investor, you may be able to appoint a proxy electronically through the Proximity platform, a process which has been agreed by the company and approved by the registrar. Further information regarding Proximity is contained in the notes to the notice of the Annual General Meeting (see pages 13 to 15 of this document).

Completion of a form of proxy or the appointment of a proxy electronically will not stop you from attending the meeting and voting in person or participating in the meeting electronically should you so wish.

# To Shareholders 26 March 2026

---

## Dear Shareholder,

I am writing to give you details of the business which will be conducted at the Annual General Meeting (AGM or the meeting) of Pearson plc (Pearson or the company) to be held at 10:30am on Friday, 1 May 2026 at Pearson's registered office, 80 Strand, London WC2R 0RL.

Shareholders of the company (shareholders) will be asked to consider and, if thought fit, approve resolutions in respect of the matters as set out on pages 4 to 6 of this document.

In accordance with recommended best practice, voting on all of the proposed resolutions at the AGM will be conducted on a poll rather than on a show of hands.

## Notice of AGM

The notice convening the AGM is set out on pages 11 to 12 of this document (the notice).

## Meeting arrangements

We are looking forward to welcoming our shareholders to the AGM. We believe that holding a hybrid meeting offers shareholders choice about the manner in which they would like to participate and have therefore chosen to offer a hybrid meeting again in 2026.

Shareholders will be able to participate in the meeting either in person or electronically by joining a live webcast, where all participants will be able to vote on the resolutions and to ask their questions if they wish to do so. The company will be using Computershare's meeting platform which enables electronic participation and submission of questions during the meeting. A detailed guide on how to join the meeting using Computershare's platform can be found on page 16 of this document.

While we are keen to facilitate wider engagement by offering the ability to participate virtually, we very much welcome shareholders wishing to attend in person and look forward to seeing you should you wish to do so. The physical part of the AGM will be held at our registered office, 80 Strand, London WC2R 0RL, where light refreshments will be served before the meeting. For those shareholders wishing to attend the AGM in person, please use the Strand entrance to the building, where the registration desks will be situated. A map of the area is available on page 3 of this document.

Shareholders are encouraged to submit questions they would like answered at the AGM by email to [chairman-agm@pearson.com](mailto:chairman-agm@pearson.com). Please note that questions should be received through this channel by the company no later than 6:30pm on Wednesday, 29 April 2026. Questions may still be asked during the meeting, either through Computershare's meeting platform or by those attending in person, but questions submitted in advance of the AGM will be prioritised at the meeting. Where it is not possible to answer questions submitted prior to or during the meeting (for example, due to time constraints), the Board of Directors' (the Board) responses to questions will be published on the company's website as soon as is practicable after the AGM.

If you are unable to participate in the meeting in person or electronically, please complete and return the enclosed form of proxy in the prepaid envelope provided so as to reach the company's registrar, Computershare, not less than 48 hours before the time of the meeting.

Alternatively, you may register your vote online by visiting the registrar's website at <http://www.investorcentre.co.uk/eproxy>. In order to register your vote online you will need to enter the meeting's Control Number, your Shareholder Reference Number (SRN) and PIN number which are given on the enclosed form of proxy. If you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained in the notes to the notice of AGM and in the form of proxy. If you are an institutional investor, you may be able to appoint a proxy electronically through the Proxymity platform, a process which has been agreed by the company and approved by the registrar. Further information regarding Proxymity is contained in the notes to the notice of AGM (see pages 13 to 15 of this document).

For any updates in relation to the AGM, shareholders should monitor the Investors section of the Pearson website at [plc.pearson.com](http://plc.pearson.com) and its Regulatory Information Service announcements.

## Board changes

New appointments in 2025 and 2026 have continued to enhance our Board. Arden Hoffman joined the Board as an independent Non-Executive Director on 1 June 2025 and Costis Maglaras joined the Board as an independent Non-Executive Director on 1 November 2025. Both Arden and Costis's expertise will prove invaluable as Pearson continues to execute against its strategy and will further enhance the skill set of our Board.

The Board also oversaw a planned succession process for the role of Group Chief Financial Officer (CFO). Subject to shareholder approval, Simon Robson will assume the role of CFO and Executive Director on 8 May 2026. Simon brings deep financial leadership experience and the Board is delighted to have appointed such a strong successor. Sally Johnson will be stepping down as CFO on 7 May 2026 and, on behalf of the Board, I would like to thank Sally for her significant contribution to Pearson over many years.

After serving on the Board for 10 years, Lincoln Wallen stepped down as an independent Non-Executive Director on 31 December 2025. Lincoln has been a valuable member of the Audit and Reputation & Responsibility Committees, and a steady and knowledgeable voice on the Board, bringing a rare combination of commercial and strategic insight with deep expertise in technology and AI, from which Pearson has benefited enormously. On behalf of all Directors, I would like to extend our warmest gratitude to Lincoln for his commitment, his passion for Pearson's mission and his long-serving contribution to the company.

We continue to monitor the Board's composition to ensure we maintain the range of skill sets and perspectives needed to support the company's strategy and complement our succession planning.

Yours sincerely

# Explanatory notes to the Resolutions

---

The resolutions referred to in this section are included in the notice of AGM set out on pages 11 to 12 of this document.

## Recommendation

The Board of Directors believes that resolutions 1-23 will promote the success of the company for the benefit of its members as a whole.

Your Board therefore unanimously recommends that you vote IN FAVOUR of resolutions 1-23 inclusive, as the Directors intend to do in respect of their own beneficial holdings.

## Report and accounts (resolution 1)

The first resolution at the AGM relates to the receipt and consideration of the company's accounts, the strategic report and the reports of the Directors and the auditors for the financial year ended 31 December 2025.

## Final dividend (resolution 2)

Separately, shareholders will also be asked to approve the payment of a final dividend of 17.4 pence per ordinary share in respect of the year ended 31 December 2025, as recommended by the Directors.

If the recommended final dividend is approved, it is proposed that the dividend will be paid on 8 May 2026 to shareholders on the company's register of members at the close of business on 20 March 2026 (the record date).

## Election and re-election of Directors (resolutions 3 to 14)

In accordance with provision 18 of the UK Corporate Governance Code (the Code) and the company's Articles of Association, all of the Directors being eligible will offer themselves for election or re-election at the AGM. The election and re-election of Directors, if approved, will take effect at the conclusion of the meeting.

Having each been appointed as a Director since the last AGM, Arden Hoffman and Costis Maglaras will retire at the AGM and, in accordance with the company's Articles of Association and being eligible, will offer themselves for election by shareholders.

Subject to his election by shareholders at the AGM, Simon Robson will be appointed as a Director with effect from 8 May 2026.

Each of the Directors seeking election or re-election brings a wide range of experience, skills and backgrounds which complement our strategy. The contribution, commitment and performance of each of the Directors continues to be valuable and effective, and it is, therefore, appropriate for each of those seeking election or re-election by the shareholders to continue to serve as a Director of the company. Biographical details for each of the Directors offering themselves for election or re-election are set out on pages 7 to 10. Sally Johnson will be standing for re-election but will stand down on 7 May 2026.

All of Pearson's Directors have strong leadership experience at global businesses and institutions and, as a group, the Board has particular experience in the following areas:

## Operating context and future trends

- Technology (cloud, infrastructure, product, engineering, AI, cyber security)
- Enterprise skilling and workforce transformation
- Education and learning
- Government and policy

## Challenging and supporting management in shaping strategy

- Branding and marketing
- Global markets, scale and complexity
- Corporate strategy (value creation, M&A, capital markets, sustainability)
- Current and/or prior CEO experience

## Good company governance

- Accounting, finance, and controls
- People and remuneration
- Listed company governance & regulation

The backgrounds, expertise offered and contribution made by the Directors, as detailed in their individual biographies, continue to be important to the company's long-term sustainable success. In accordance with the Code, the Board has reviewed the independence of its Non-Executive Directors and has determined that they remain fully independent of management and that there are no relationships or circumstances likely to affect their judgement.

The Board considers that each Director seeking election or re-election contributes effectively and demonstrates commitment to their role. This consideration of effectiveness is based on, amongst other things, the business skills, industry experience and business model experiences and other contributions that each Director may make, both as an individual and also in contributing to the balance of skills, knowledge and capability of the Board as a whole, as well as the expected time commitment for Pearson Board and Committee meetings, and other duties.

## Directors' remuneration policy (resolution 15)

Shareholders are invited to approve the new Directors' remuneration policy under resolution 15, which sets out the company's forward looking policy on Directors' remuneration and is subject to a binding shareholder vote. The policy describes the components of the Executive and Non-Executive Directors' remuneration. A copy of the policy is available on pages 144 to 152 of the company's annual report and accounts and on the website at [plc.pearson.com](http://plc.pearson.com). If resolution 15 is passed, the policy will apply from the conclusion of the AGM. However, it is proposed, subject to approval at the AGM, that changes to Executive Director incentives be made effective from the start of the 2026 performance periods. The company may not make a remuneration payment or payment for loss of office to a person who is, is to be, or has been a Director of the company unless that payment is consistent with the policy, or such payment has otherwise been approved by a shareholder resolution to amend the policy. The Directors are required to seek shareholder approval for the company's remuneration policy at least every three years, except in the event that a change to the policy is proposed or the advisory vote on the Directors' annual remuneration report is not passed in any year subsequent to the approval of the policy, in which case an earlier vote would be required.

## Directors' remuneration report (resolution 16)

The 2025 annual remuneration report is set out in the annual report on pages 117 to 152. The company believes that the remuneration report clearly demonstrates the link between our remuneration policy and practice, and the company's strategy and performance, as well as our commitment to shareholder engagement.

The remuneration report includes a letter from the Chair of the Remuneration Committee and provides details of the remuneration paid to the Directors during the year ended 31 December 2025, including any share awards made or vested during the year.

Shareholders are invited to approve the annual remuneration report under resolution 16. This vote is advisory in nature and has no impact on past remuneration.

## Auditors (resolutions 17 and 18)

Resolutions will be proposed to re-appoint the company's existing auditors, Ernst & Young LLP (EY), as auditors until the conclusion of the AGM in 2027 and to authorise the Audit Committee to determine and fix the remuneration of the auditors.

## Directors' authority to allot shares (resolution 19)

As in previous years and further to the provisions of section 551 of the Companies Act 2006 (the Act), shareholders will be asked to grant the Board of Directors the authority to allot shares, grant rights to subscribe for shares, or convert any security into shares in the company (the new authority). If granted, the new authority would be valid until the close of the AGM in 2027 (or, if earlier, the close of business on 1 August 2027).

If passed, the new authority (granted under part (a) of the resolution) would be limited to up to 209,768,824 ordinary shares (representing approximately 33.3% of Pearson's issued ordinary share capital as at 9 March 2026 being the latest practicable date prior to the publication of this document). If the new authority (granted under part (b) of the resolution) were used in connection with a pre-emptive offer to existing shareholders (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the offer cannot be made due to legal and/or practical reasons), it would be limited to up to 419,537,648 ordinary shares (representing approximately 66.6% of Pearson's issued share capital as at 9 March 2026).

In each case the number of shares to which the new authority applies is in addition to those committed to the various share option and employee share plans. At the date this document was approved by the Board, the Directors had no intention to exercise this authority, although they considered its grant to be appropriate in order to preserve maximum flexibility for the future. The Directors intend to seek the approval of shareholders to renew this authority annually.

As at 9 March 2026 (being the latest practicable date prior to the publication of this document), the company does not hold any shares in the capital of the company in treasury.

## Waiver of pre-emption rights (resolutions 20 and 21)

As in previous years, authority will be sought to waive (under the provisions of section 570 of the Act) the statutory pre-emption provisions applicable to the allotment of equity securities for cash contained in section 561 of the Act. Such authority, if granted, will be valid until the close of the AGM in 2027 (or, if earlier, the close of business on 1 August 2027).

Resolution 20 contains a two-part waiver. The first is limited to the allotment of shares for cash up to an aggregate nominal value of £7,866,330.93 which represents approximately 5% of the issued ordinary share capital as at 9 March 2026. The second is limited to the allotment of shares for cash in connection with a pre-emptive offer to allow the Directors to make appropriate exclusions and other arrangements to resolve legal or practical issues which, for example, might arise in relation to overseas shareholders.

The waiver granted by resolution 21 is in addition to the waiver granted by resolution 20. It is limited to the allotment of shares for cash up to an aggregate nominal value of £15,732,661.85 which represents a further 5% (approximately) of the issued ordinary share capital as at 9 March 2026. This further waiver may only be used for an allotment of shares for cash for the purposes of financing (or refinancing, if the waiver is used within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-Emption Group's November 2022 Statement of Principles.

Resolutions 20 and 21 are conditional on resolution 19 being passed.

As at the date that this document was approved by the Board, the Directors had no intention to exercise the authorities under resolutions 20 and 21 although they considered their grant to be appropriate in order to preserve flexibility for the future.

The Board will continue to monitor market practice concerning the limits recommended by the Pre-Emption Group's November 2022 Statement of Principles and keep its approach to the waiver of pre-emption rights under review ahead of the next AGM to be held by the company.

## **Authority to purchase own shares (resolution 22)**

As in previous years, shareholders will be asked to authorise the market purchase by Pearson of a proportion of its issued ordinary share capital, subject to the limits referred to below. The Directors consider it prudent to be able to act at short notice if circumstances warrant. In considering the purchase of ordinary shares, the Directors will follow the procedures laid down in the Act and will take into account cash resources, capital requirements and the effect of any purchase on gearing levels and on earnings per equity share.

On 21 January 2026, the company announced the commencement of a £350 million share buyback programme, in order to return capital to shareholders. The Company provided an update on this share buy back programme on 9 March 2026. The programme has commenced under the existing authority granted at the 2025 AGM, and the repurchased shares have been and will be cancelled and the nominal value of the shares transferred to the capital redemption reserve.

The Directors will use this authority to purchase shares only after careful consideration. Further, the Directors intend to exercise this authority to buy back shares only if they believe that to do so would be in the best interests of the company and its shareholders as a whole, having first considered any other investment opportunities open to the company.

Any purchase by the company of its own shares pursuant to this authority will be paid for out of distributable profits. Any shares which are repurchased will be dealt with in accordance with section 724 of the Act. The company is entitled, pursuant to the Act, to hold the shares as treasury shares, sell them for cash, cancel them or transfer them pursuant to an employee share plan, although for the 2026 programme the company has stated it will cancel repurchased shares.

The authority, which will expire at the close of the AGM in 2027 or 18 months from the date of the resolution (whichever is earlier), will be limited to a maximum purchase of 62,930,647 ordinary shares, representing approximately 10% of Pearson's issued ordinary share capital as at 9 March 2026. The maximum price (excluding expenses) to be paid per ordinary share on any occasion will be restricted to the higher of (i) 105% of the average of the middle market quotations of an ordinary share of the company derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the ordinary share is contracted to be purchased and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out. The minimum price will be 25p per ordinary share.

Shareholders should understand that the maximum number of shares and the price range are stated merely for the purposes of compliance with statutory and Financial Conduct Authority (FCA) requirements in seeking this authority and should not be taken as any indication of the terms upon which the company intends to make such purchases.

The company's issued share capital as at 9 March 2026 was 629,306,474 ordinary shares of 25p each. The total number of options to subscribe for ordinary shares which were outstanding as at 9 March 2026 was approximately 2.39 million, which represents approximately 0.38% of the issued share capital of the company at that date. If the maximum number of 94,071,348 shares were to be purchased by the company (under the existing authority given at last year's AGM and the authority now being sought under resolution 22), the adjusted issued share capital would be 535,235,126 and the options outstanding would represent approximately 0.45% of the adjusted issued share capital.

## **Notice of meetings (resolution 23)**

Although the company's Articles of Association already grant the company the authority to call general meetings (other than annual general meetings) on 14 clear days' notice, under the Shareholders Rights Regulations this authority is required to be approved by shareholders annually. Otherwise, a minimum of 21 clear days' notice must be given.

The company believes that it is an important power to continue to seek to afford flexibility on certain matters where time may be of the essence. The flexibility offered by this resolution will not be used as a matter of routine for general meetings, but only where, taking into account all of the circumstances, the Directors consider it appropriate in relation to the business to be considered at the meeting and in the interests of the shareholders as a whole. If passed, this authority will be effective until the close of the AGM in 2027.

# Notes

---

1. Ordinary shareholders and/or nominee shareholders may appoint one or more persons (whether shareholders of the company or not) to act as their proxy or proxies to exercise all or any of their rights to attend, speak and to vote on their behalf at the meeting.

Any such shareholder can appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attaching to different shares held by them.

The form of proxy for use at the meeting must be deposited, together with any power of attorney or authority under which it is signed or a certified copy of the authority, at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, not less than 48 hours before the time appointed for the AGM or any adjournment thereof. Details of how to appoint a proxy are also set out in the form of proxy. Alternatively, you may register your vote online by visiting [www.investorcentre.co.uk/eproxy](http://www.investorcentre.co.uk/eproxy). In order to register your vote online you will need to enter the meeting's Control Number, Shareholder Reference Number (SRN) and PIN number which are given on the enclosed form of proxy. Computershare Corporate Sponsored Nominee (CSN) holders must register their votes by no later than 10:30am on Tuesday, 28 April 2026. Ordinary shareholders must register their votes by no later than 10:30am on Wednesday, 29 April 2026.

2. CREST members who wish to appoint a proxy or proxies, or amend an instruction to a previously appointed proxy, through the CREST electronic proxy appointment service may do so for the AGM to be held at 10:30am on Friday, 1 May 2026 and any adjournment(s) thereof, by using the procedures described in the CREST manual (available via [euroclear.com](http://euroclear.com)). CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & International Limited (Euroclear)'s specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it relates to the appointment of a proxy or to an instruction to a previously appointed proxy, must be transmitted so as to be received by the issuer's agent (ID: 3RA50) by no later than 10:30am on Wednesday, 29 April 2026 (or no later than 48 hours before the time appointed for any adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular messages.

Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions.

It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service provider(s) is/are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

The company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.

It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.
