To shareholders

25 March 2019

Dear shareholder,

I am writing to give you details of the business which will be conducted at the Annual General Meeting (AGM or the meeting) of Pearson plc (Pearson or the company) to be held at IET London, 2 Savoy Place, London WC2R 0BL at 12 noon on Friday, 26 April 2019.

Voting on all of the proposed resolutions at the AGM will be conducted on a poll rather than on a show of hands. Voting on a poll is more transparent and equitable because it includes the votes of all shareholders, including those cast by proxies, rather than just the votes of those shareholders who attend the meeting.

Shareholders of the company (shareholders) will be asked to consider and, if thought fit, approve resolutions in respect of the matters as set out below.

Notice of AGM

The notice convening the AGM is set out on pages 7 to 8 of this document (the notice).

Recommendation

The Board of Directors believes that resolutions 1-20 will promote the success of, and are in the best interests of, the company and its members as a whole.

Your Board therefore unanimously recommends that you vote IN FAVOUR of resolutions 1-20 inclusive, as the Directors intend to do in respect of their own beneficial holdings.

Report and accounts (resolution 1)

The first resolution at the AGM relates to the receipt and consideration of the company's accounts and the reports of the Directors and the auditors for the financial year ended 31 December 2018.

Final dividend (resolution 2)

Separately, shareholders will also be asked to approve the payment of a final dividend of 13 pence per ordinary share in respect of the year ended 31 December 2018, as recommended by the Directors.

If the recommended final dividend is approved, it is proposed that the dividend will be paid on 10 May 2019 to shareholders on the company's register of members at the close of business on 5 April 2019 (the record date).

Re-election of Directors (resolutions 3 to 12)

In accordance with the UK Corporate Governance Code (the Code), all of the Directors being eligible will offer themselves for re-election at the AGM. The re-election of Directors will take effect at the conclusion of the meeting. As Chair, I believe that the contribution, commitment and performance of each of the Directors continues to be valuable and effective. Each of the Directors brings a wide range of experience, skills and backgrounds which complement our strategy. All of Pearson's Directors have strong leadership experience at global businesses and institutions and, as a group, their experience covers the following areas:

- › Business strategy and governance
- › Innovation and disruption
- › Education
- › Digital and technology
- › Talent, people and culture
- › Finance and investment
- › Sustainability and environmental matters
- › Marketing, brand and media
- › Government, international and regulatory affairs.

The diverse backgrounds, expertise offered and contribution made by the Directors, as more particularly detailed in their individual biographies, continued to be important to the company's long-term sustainable success and it is therefore appropriate for each of them to continue to serve as Directors of the company. In accordance with the Code, the Board has reviewed the independence of its Non-Executive Directors and has determined that they remain fully independent of management and that there are no relationships or circumstances likely to affect their judgement. Biographical details for each of the Directors offering themselves for re-election are set out below and on the following pages:

Report on Directors' remuneration (resolution 13)

The report on Directors' remuneration is set out in the annual report on pages 110 to 126. The company believes that the report on Directors' remuneration clearly demonstrates the link between our remuneration policy and practice, and the company's strategy and performance, as well as our commitment to shareholder engagement.

The report on Directors' remuneration includes a letter from the Chair of the Remuneration Committee and provides details of the remuneration paid to the Directors during the year ended 31 December 2018, including any share awards made during the year.

Shareholders are invited to approve the annual remuneration report under resolution 13. This vote is advisory in nature and has no impact on past or future remuneration.

Auditors (resolutions 14 and 15)

Resolutions will be proposed to reappoint Pearson's existing auditors, PricewaterhouseCoopers LLP (PwC), as auditors until the conclusion of the AGM in 2020 and to authorise the Audit Committee to determine the remuneration of the auditors.

Directors' authority to allot shares (resolution 16)

As in previous years and further to the provisions of section 551 of the Companies Act 2006 (the Act), shareholders will be asked to grant the Board of Directors the authority to allot shares, grant rights to subscribe for shares, or convert any security into shares in the company (the new authority). If granted, the new authority would be valid until the close of the AGM in 2020. If passed, the new authority (granted under part (A) of the resolution) would be limited to up to 260,471,380 ordinary shares (representing approximately 33.3% of Pearson's issued ordinary share capital as at 11 March

2019, the latest practicable date prior to the publication of this document). If the new authority (granted under part (B) of the resolution) were used in connection with a rights issue, it would be limited to up to 520,942,760 ordinary shares (representing approximately 66.6% of Pearson's issued share capital as at 11 March 2019).

In each case the number of shares to which the new authority applies is in addition to those committed to the various share option and employee share plans. At the date this document was approved by the Board, the Directors had no intention to exercise this authority, although they considered its grant to be appropriate in order to preserve maximum flexibility for the future. The Directors intend to seek the approval of shareholders to renew this authority annually. As at the date of this document, the company does not hold any shares in the capital of the company in treasury.

Waiver of pre-emption rights (resolution 17 and 18)

As in previous years, authority will be sought to waive (under the provisions of section 570 of the Act) the statutory pre-emption provisions applicable to the allotment of equity securities for cash contained in section 561 of the Act. Such authority, if granted, will be valid until the close of the AGM in 2020.

Resolution 17 contains a two-part waiver. The first is limited to the allotment of shares for cash up to an aggregate nominal value of £9,767,676 which represents approximately 5% of the issued ordinary share capital as at 11 March 2019. The second is limited to the allotment of shares for cash in connection with a rights issue to allow the Directors to make appropriate exclusions and other arrangements to resolve legal or practical problems which, for example, might arise in relation to overseas shareholders.

The waiver granted by resolution 18 is in addition to the waiver granted by resolution 17. It is limited to the allotment of shares for cash up to an aggregate nominal value of £9,767,676 which represents a further 5% (approximately) of the issued ordinary share capital as at 11 March 2019. This further waiver may only be used for an allotment of shares for cash for the purposes of financing (or refinancing, if the waiver is used within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-Emption Group's March 2015 Statement of Principles.

Resolutions 17 and 18 are conditional on resolution 16 being passed.

As at the date this document was approved by the Board, the Directors had no intention to exercise the authorities under resolutions 17 and 18, although they considered their grant to be appropriate in order to preserve maximum flexibility for the future. In accordance with the Pre-Emption Group's March 2015 Statement of Principles, the Board confirms that it does not intend to issue shares for cash representing more than 7.5% of the company's issued share capital in any rolling three-year period to those who are not existing shareholders, save in connection with an acquisition or specified capital investment (as described above) without prior consultation with shareholders.

Authority to purchase own shares (resolution 19)

As in previous years, shareholders will be asked to authorise the market purchase by Pearson of a proportion of its issued ordinary share capital, subject to the limits referred to below.

The Directors consider it prudent to be able to act at short notice if circumstances warrant. In considering the purchase of ordinary shares, the Directors will follow the procedures laid down in the Act and will take into account cash resources, capital requirements and the effect of any purchase on gearing levels and on earnings per equity share. At present, the Directors do not intend to exercise this authority but will keep the matter under review and they will only consider exercising the authority if satisfied that it would be in the best interests of the company and its shareholders as a whole to do so, having first considered any other investment opportunities open to the company.

Any purchase by the company of its own shares pursuant to this authority will be paid for out of distributable profits. Any shares which are repurchased will be dealt with in accordance with section 724 of the Act. The company is entitled to hold the shares as treasury shares, sell them for cash, cancel them or transfer them pursuant to an employee share plan.

The authority, which will expire at the close of the AGM in 2020, will be limited to a maximum purchase of 78,141,414 ordinary shares, representing approximately 10% of Pearson's issued ordinary share capital as at 11 March 2019. The maximum price (excluding expenses) to be paid per ordinary share on any occasion will be restricted to the higher of (i) 105% of the average of the middle market quotations of an ordinary share of the company derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the ordinary share is contracted to be purchased and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share as derived from the London Stock Exchange Trading System. The minimum price will be 25p per ordinary share.

Shareholders should understand that the maximum number of shares and the price range are stated merely for the purposes of compliance with statutory and Financial Conduct Authority (FCA) requirements in seeking this authority and should not be taken as any indication of the terms upon which the company intends to make such purchases.

The company's issued share capital as at 11 March 2019 was 781,414,148 ordinary shares of 25p each. The total number of options to subscribe for ordinary shares which were outstanding as at 11 March 2019 was approximately 2.44 million, which represents approximately 0.31% of the issued share capital of the company at that date. If the maximum number of 78,141,414 shares were to be purchased by the company (under resolution 19), the adjusted issued share capital would be 703,272,734 and the options outstanding would represent approximately 0.35% of the adjusted issued share capital.

Notice of meetings (resolution 20)

Although the Articles of Association already grant the company the authority to call general meetings (other than annual general meetings) on 14 clear days' notice, under the Shareholder Rights Regulations this authority is required to be approved by shareholders annually, otherwise a minimum of 21 clear days' notice must be given.

The Directors believe it is in the best interests of the company and its shareholders as a whole to preserve the shorter notice period. However, the flexibility offered by this resolution will not be used as a matter of routine for general meetings, but only where, taking into account all of the circumstances, the Directors consider this appropriate in relation to the business to be considered at the meeting and if thought to be in the interests of the shareholders as a whole. If passed, this authority will be effective until the close of the AGM in 2020.

Annual General Meeting

The resolutions referred to in this letter are included in the notice of AGM set out on pages 7 to 8 of this document. The AGM is to be held at IET London, 2 Savoy Place, London WC2R 0BL at 12 noon on Friday, 26 April 2019. If you are unable to attend the meeting, please complete and return the enclosed form of proxy in the prepaid envelope provided so as to reach the company's registrar, Equiniti, not less than 48 hours before the time of the meeting. Alternatively, you may register your vote online by visiting the registrar's website at www.sharevote.co.uk or, if you already have a portfolio registered with them, by logging onto www.shareview.co.uk. In order to register your vote online you will need to enter the Voting ID, Task ID and Shareholder Reference Number which are given on the enclosed form of proxy. If you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained in the notes to the notice of AGM and in the form of proxy. Completion of a form of proxy or the appointment of a proxy electronically, will not stop you from attending the AGM and voting in person should you so wish. If you are unable to attend the AGM but would like to ask a question, please e-mail: chairman-agm@pearson.com

Shareholders holding shares through Sharestore must submit votes by 12 noon on Tuesday, 23 April 2019.
2. CREST members who wish to appoint a proxy or proxies, or amend an instruction to a previously appointed proxy, through the CREST electronic proxy appointment service may do so for the AGM to be held at 12 noon on Friday, 26 April 2019 and any adjournment(s) thereof, by using the procedures described in the CREST manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited (Euroclear)'s specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it relates to the appointment of a proxy or to an instruction to a previously appointed proxy, must be transmitted so as to be received by the issuer's agent (ID: RA19) by no later than 12 noon on Wednesday, 24 April 2019. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) is/are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

The company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
